

DRINKING WATER PROBLEM CORRECTED

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

ESTE INFORME CONTIENE INFORMACIÓN IMPORTANTE ACERCA DE SU AGUA POTABLE. HAGA QUE ALGUIEN LO TRADUZCA PARA USTED, O HABLE CON ALGUIEN QUE LO ENTIENDA.

As a customer of The Pittsburgh Water and Sewer Authority (PWSA), you were notified on October 17, 2020, of a problem with our drinking water and were advised to flush and boil water from the tap before using for drinking, making ice, brushing teeth, washing dishes, and food preparation. **We are pleased to report that the problem has been corrected for impacted customers in the Stanton Heights and Garfield neighborhoods in the City of Pittsburgh, and that it is no longer necessary to boil tap water before consumption for these areas.**

We apologize for any inconvenience and thank you for your patience.

For any questions, please contact: PWSA Customer Service at (412) 255-2423

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by PWSA.
