

Job Announcement

Position: Security Manager
Division: Water Production
Rate: To be determined

FLSA: Exempt
Posted: April 16, 2021
Application Deadline: Until filled

Summary:

The Pittsburgh Water and Sewer Authority is seeking a candidate for the position of Security Manager. They will oversee the security of all the Authority's facilities including, but not limited to the downtown office, water treatment plant, warehouse, pump stations, reservoirs, and field locations. This position reports to the Senior Manager of Safety and Security.

Duties:

- Implement security policies, procedures, and regulations to ensure security and safety of all sites, employees, contractors, vendors, and visitors.
- Ensure the overall security of public drinking water produced at PWSA.
- Collect and analyze security data and assessments to determine the security needs of the authority.
- Conduct physical assessments of sites and systems to determine security needs.
- Train security professionals and other employees in security processes and procedures.
- Develop and implement budgets for the security of the entire system.
- Investigate and assess any security threats or breaches.
- Assist in emergency management and disaster planning.
- Coordinate security efforts with public law enforcement, fire, EMS, and other agencies.
- Ensure viability of security equipment such as cameras, lighting, fencing, and gating.
- Report on security measurables.
- Manage the Authority's security guard force including, but not limited to proper staffing, scheduling, training, SOP implementation, and shift coverage as necessary.
- Other duties as assigned.

Background:

- Must have a bachelor's degree in Criminal Justice, Criminology, or Psychology; Act 120 certification is preferred. A background in law enforcement or Armed Forces is also preferred. CPR/First Aid certification is required.
- Must have five (5) years of experience working in the security field. Previous management experience is required.
- Considerable knowledge of large-scale security policies and procedures.
- Working knowledge of security best practices and local law.
- Proven management and leadership skills.
- Ability to write procedures, reports, budgets, and plans.
- Technical knowledge including access control systems, surveillance systems and Microsoft Office.
- Sound judgement, decision making, and problem-solving skills.
- Ability to work with employees, contractors, and vendors at all levels.

General Requirements:

Applicant must have permanent residency in the City of Pittsburgh at time of appointment and remain a permanent resident throughout employment with the PWSA. Verification of City residence is required at time of filing application. Applicant must present a current, valid Class C (Class 1) PA Motor Vehicle Operator's License at the time of application or prior to appointment. A valid driver's license must be maintained throughout employment.

A performance or written exam as well as a medical exam may be required prior to appointment.

Physical Demands and Working Conditions:

- The employee will be required to complete routine office work in a standard office setting.
- May perform physical work outdoors in extreme weather.
- Availability to work all three shifts, weekends, and holidays.
- Ability to operate a pick-up truck and related equipment.
- Ability to work in confined spaces.
